

Figure 1 consists of two maps. The left map, titled "Location of County within State", shows the state of Ohio divided into counties. One county in the northwest is highlighted in orange. The right map, titled "Sheet Location within Entity", shows a large yellow area representing the entity, with a small blue-outlined rectangle in the top-left corner indicating the location of the specific sheet.

The plotted map scale is 1:17000

	1	2
